"**We Are the World**" is a charity single originally recorded by the super-group *USA for Africa* in 1985, to raise money to help in response to the famine in Ethiopia in 1983-1985. It was written by Michael Jackson and Lionel Richie and produced by Quincy Jones and Michael Omartian for the album "We Are the World". With sales in excess of 20 million copies, it is one of fewer than 30 retail singles to have sold at least 10 million copies worldwide.

The song was re-recorded to help raise money for victims of the earthquake in Haiti in 2010: **We Are the World 25 for Haiti** (https://www.youtube.com/watch?v=EqGmN_epWRI).
