A man in a brown suit and a blue hard hat with a headlamp is standing in a dark, rocky cave. He is looking towards the right. In the background, another man in a blue suit is kneeling and working with a piece of equipment that has a green and orange container. There are several tripods with lights in the cave, and the walls are covered in stalactites. The scene is dimly lit, with the primary light sources being the headlamp and the equipment lights.

En attendant d'avoir des nouvelles

**Je suis convaincue que
Trog est le chaînon manquant.**

A scene from a movie showing a man in a teal lab coat talking to two women in a hospital setting. A large water bottle is visible on the right.

**mais si l'opération est un succès,
Trog sera capable de parler.**
